Tower Hamlets Partnership: overview

Looking forwards: Our new Tower Hamlets Partnership Plan (2023-2028)

- A new shared vision and ambition for the borough
- Focused and cross-cutting priorities to add value
- Solutions to create changes in systems
- Building on lessons learned
- Launch summer 2023

Developing our new Partnership Plan

Get involved and shape the Partnership Plan (Dec-March):

- A Tower Hamlets for All survey
- Stakeholder and community engagement

Tell us what you feel are the borough's challenges and opportunities, and what the future could be, if we all worked together.

Developing our new Partnership Plan

Activity:

1. What are your hopes for a safer TH in 10 years' time?
2. What can we do together to get there?
3. What can voluntary and community sector organisations do to support local residents?
4. Top three priorities of importance
